

مؤتمر ومعرض الكويت للفحص اللااتلافي

**KUWAIT NON-DESTRUCTIVE TESTING (NDT)
CONFERENCE AND EXHIBITION**

6 - 8 DECEMBER 2016

www.KuwaitNDT.com

OVERVIEW

Kuwait 2nd NDT Conference will be held during the period **6 - 8 December 2016** offering a unique opportunity for NDT professionals from Kuwait to interact, share and exchange experiences of inspection problems and to explore the latest NDT technologies to address inspection challenges in the Kuwait. The conference is an ideal platform to share best practices, success stories and proven technologies by presenting technical papers and to demonstrate the most recent state-of-art NDT technologies.

In addition, distinguished international keynote speakers, experts and professionals in the field of NDT will participate in this high caliber conference through presentations, seminars and workshops.

Conference topics:

- Acoustic Emission Applications for Aging Infrastructure
- Advanced Ultrasonic Techniques for FFS Analyses
- Boiler and Heat Exchanger Inspection Methods
- Certification and Training of NDT personnel
- Digital Applications of Radiography
- Inspection for Corrosion Under Insulation
- NDT for Aerospace
- NDT for Non-Metallic
- NDT for Nuclear Power Plants
- NDT for Offshore Facilities
- NDT for Under Ground Piping / Road Crossing
- NDT for Upstream and Drilling
- NDT Modeling & Computer Visualization
- NDT Technologies for Non-Pigable Pipelines
- Permanently Installed Monitoring Sensors
- Plant Integrity Management
- Risk Based Inspection
- Smart Sensors and Robotic Applications

CALL FOR PRESENTATIONS

Do you have experience and expertise that could benefit your colleagues? Why not share them – and get recognition from your colleagues.

Presentation abstract submissions should be prepared in Microsoft Word™ and include:

- Title and 500 word (maximum) description of the presentation content
- Name and credentials of the author(s)/presenter

Those selected as speakers must submit a PowerPoint presentation. All presentations of the selected presenters shall be made available on the Conference website.
